

Events, Expos & Trade Shows

- **Tents**

Event Tents are the perfect large-scale marketing medium to get noticed at festivals, conventions, trade shows and more. They are printed with UV Ink Technology on water-repellent fabric. They include 4 fabric panels that can feature up to 4 different designs (one for each side). Each panel is sewn together and set up on a 10' x 10' aluminum pop-up canopy tent.

– Event Tents – (same as above)

– Event Tents Back Wall - *These Back Walls provide a distraction-free tent at events. Incorporate a logo or additional brand messaging with digital 4-color process printing on one or both sides. These full back walls fit securely to our canopy tents and provide shade for your products and staff.*

– Event Tents ½ Side Wall - *These half walls add additional graphics or messaging at trade shows and events. They fit securely to our canopy tents using hook and loop wraps.*

- **Event Tickets**

Out-Stub the Competition with Premium full color Event Tickets! Available in a variety of popular sizes with optional Variable Numbering and Perforation, Event Tickets are printed using superior quality stocks and finishes for a professional touch. Numbered tickets are essential for any paid event, allowing you to ensure that all entrants are paid and accounted for. Great for things like fundraisers, raffles, charity galas, theater tickets, gift certificates and more.

- **Banners**

- Fabric Banners - *Perfect for wall décor, POP displays and more, this lightweight poly/cotton matte Canvas looks great mounted or framed and is also easily rolled and shipped. Hems, Grommets and Pole Pockets options are available for additional ease in hanging.*

- Fabric Tube Banner Displays - *The ideal signage for any trade show, meeting, or network function. They can be placed on the ground or elevated surfaces for maximum visibility. High-quality graphics are printed individually on 9oz Premium Polyester fabric using dye sublimation and are sewn together creating a double-sided display that cannot be missed.*

- Retractable Banners - *Our Aluminum Retractable Banner Stands are available with 10 mil indoor premium vinyl banners and is conveniently packed in a small bag and set up in a few easy steps.*

- Double Sided Retractable Banners - *Double sided, a more stylish alternative to our normal retractable stands. A Bigger, heavier base with chrome accents make it stand out.*

- Tabletop Retractable Banners - Maximum impact with minimal effort! Perfect for customers on the go! This product is ideal for pop-up displays at trade shows, university orientations, and indoor events of all kinds.

- Indoor Banners - Put your message front and center! Full Color Indoor Banners make excellent POP displays, event signage and more. Vinyl materials is smooth with a matte finish offers premium print quality and maximum versatility. This product is recommended for indoor use only.

- Outdoor banners - Stop customers in their tracks! Ideal for billboards, building wraps, banners, trade show signage and more. Banners are durable and ultra-versatile. They are waterproof and great for both outdoors and indoors.

- Telescopic Backdrop Banners - Display brand messaging, event backdrops, trade show signage and more in a flash. Portable and easy to set up, these durable and waterproof banners are ideal for use both indoors and out.

- Blockout Banners: Double Sided - Heavier and more durable than our regular Indoor Banner, our premium quality 15oz Blockout Vinyl is intended to block out any light source. It's perfect for banners, signage and so much more.

- Blockout Banners: Single Sided - Heavier and more durable than our regular Indoor Banner, our premium quality 15oz Blockout Vinyl is intended to block out any light source. It is perfect for banners, signage and so much more.

- Pennant Banners - More creative banners are taking shape with pennant banners! The pennant shape of these full color banners is a favorite with sports teams and many other customers. Two stock options are available.

- Mesh Banners - Mesh is economical, light weight, and allows 37% airflow through making it ideal for building, stadium, and fence wraps.

- **Table Covers**

Superior quality dye sublimation equipment, producing the longest lasting color available for printed fabric. These vibrant, premium polyester Table Covers are fully customizable across the entire surface, and they add a finished, professional look to table displays, trade show booths and more. They are wrinkle resistant and machine washable.

- Table Runners - The perfect accessory to add to your display as they rest across the top of a table. Commonly laid in the middle of the table so the front of the table runner covers the front end of the table.

- Table Throws - Get better brand awareness with a well-dressed table, the perfect place for your company logo and message. Perfect for tradeshow, a job fair or any other event. Table Throws come 3-sided or 4-sided, 3-sided is open on one side to allow for chairs at the table.

- **Flags**

- Pole Flags - These premium quality flags have a canvas reinforcement strip with 2 grommets on either the left or the right side, parallel to the short side of the flag.

- Teardrop Flags - These premium quality flags are printed on 3oz Polyester. Ideal for advertising businesses, events, and trade shows.

- Feather Flags - These premium quality flags are printed on 3oz Polyester. Ideal for advertising businesses, events, and trade shows.

- **Signs**

- Sidewalk Signs - Freestanding lightweight 100% polyethylene plastic A-Frame signage is an ideal way to promote sales, guide attendees through events, and more. The frame includes two 28"x22" sign inserts that hold corrugated signs and can be replaced for new sales or events.

- Rider Signs - A smaller sign that accompanies a larger sign or graphic and is placed either below or above (or both) the larger graphic in the frame. Additionally, they are used on posts and even hang from other post signs in some cases.

- Acrylic Signs - Offers clear, glass-like brilliance and translucence, but is much lighter and much more durable than glass.

- Coroplast Signs - Typically used for yard, parking, real estate, and election signs. They are waterproof.

- Foamcore Signs - Typically mounted on an easel for presentations or can be used for signs, posters, etc. It is made of a relatively delicate material and is best for one-time use; it can last longer with proper care. This product is not waterproof.

- PVC Signs - A smooth, bright white rigid plastic that is lightweight, yet exceptionally durable and weather resistant. They are great for both indoor and outdoor use, and have a low-glare, matte appearance.

- Styrene Signs - This semi-rigid material is suitable for both indoor and temporary outdoor signage. Common uses for Styrene include POP signage, informational and directional signage, store display inserts, tradeshow graphics and much more.

- Gator Board Signs - These signs are printed with UV cured inks and are a stronger and more durable than foam core and just as lightweight.

- Engraved Signs - A classic way to display readable text. Available for a wide variety of display options, from architectural signage to desk bars and table tents, engraved signage makes your message clear.

- Metal Yard Signs - A durable twist on the classic yard sign, full color metal yard signs bring together durable metal stock, versatile full color print, and a heavy-duty sign stand. Metallic stock makes these signs appropriate for long-term use.

- Plastic Yard Signs - With an easy-to-use step stake for display in yards and lawns, vibrant full color print, and lightweight stock ready for six to nine months of outdoor use, full color corrugated yard signs are a classic way to get messages to the public.

Marketing Materials

- **Business Cards**
