

Stamps & Embossers

- **Stamps**

From pre-inked and self-inking options with a variety of ink colors to traditional rubber stamps, we offer you the widest range of high quality custom stamps on the market.

- Self-Inking Stamps - Self-Inking stamps allow for fresh ink to be applied to the stamp with each impression. You can make thousands of impressions before re-inking your stamp pad or replacing the stamp pad. Self-inking stamps are best for rapid and multiple impressions.

- Pre-Inked Stamps - Featuring convenient ink built right into the stamp, pre-inked stamps can be used thousands of times before needing to be re-inked. Choose from stamps or daters to create an imprint that is ready whenever it is needed.

- Traditional Stamps - With a classic design and plenty of versatility, traditional rubber stamps can be used with a wide variety of different stamp pads to create imprints featuring logos, addresses, and more.

- Stock Stamps - Make the stamp design process easy with stock stamp options. Choose from a variety of common messages in a convenient pre-inked style that has the ink built right into the stamp.

- Accessories - With refills of ink for pre-inked stamps and stamp pads for traditional stamps, all available in a variety of different colors, stamp accessories extend the life of your stamp.

- **Embossers**

Whether you want to create an embosser featuring a company name or prefer the look of an embossed return address, embossers are available in a variety of styles to bring raised images to the page. Choose from two different styles and a variety of imprint sizes.

- Desk Embosser - A classic embosser that creates a crisp embossed imprint, desk embossers are a durable and stable option ideal for embossing on tabletops or desks. Choose from three different imprint sizes to create the embossed image.

- Pocket Embosser - Ideal for embossing on the go, pocket embossers feature a portable size and three different formatted sizes to choose from. Create rectangular embossing imprints or circular seals in your choice of two sizes.
